

I am deeply concerned about Sinclair Broadcastings decision to air an anti-Kerry documentary days before the election; their action is a clear example of the dangers of media consolidation.

Sinclair's motives are not difficult to discern - they want to sway this election in favor of an administration that lets companies like Sinclair get even bigger.

The airwaves are public - they belong to all of us. A media giant like Sinclair should be prevented by your agency from behaving so irresponsibly.

I urge you to NOT renew Sinclair's license in South Carolina, as they have shown they do not respect democracy or a truly free press.
